

VOLUNTEER GUIDELINES 2010-2011 School Year

At Desert View Academy, we encourage and welcome volunteers into our classrooms and onto our campus. This is a great way to get to know our staff and to assist us in making this school the best place to meet your child's educational needs. If you wish to volunteer your time, please take notice of the following guidelines.

Confidentiality

As you work with students and staff, please note: the concerns, abilities, relationships and confidence of students, parents and staff should never be discussed with anyone who does not have a professional (DVA staff members) right to know. The teachers and students need to know they can trust you. Please do not discuss a child's school progress or difficulties with his/her parents. This is the teacher's responsibility. Occasionally, a child may confide in you about family matters or personal problems. Laws require mandatory reporting of suspected child abuse or neglect. If a student provides you with information which causes you to believe the child may be in danger, abused or neglected, please report this to the principal or teacher so we may assist you in reporting to the proper authorities. This information should remain confidential between you, the school officials and authorities. It should only be discussed in private with the teacher and/or the principal. If you have a concern with a staff member at DVA, please discuss your concern with the principal or the person with whom you are concerned rather than other parents or teachers.

School Rules

Become familiar with the rules and policies of this school as well as the teacher's classroom procedures, guidelines and rules. Please do not bring other children with you. **Please follow the dress code for staff members on days you plan to volunteer. See reverse side.** If you have questions, please call.

Please Avoid

The staff at the school is responsible for everything that goes on at this school. Volunteers supplement and support the system. **They should not:**

- Provide curriculum or a teaching plan
- Discipline students
- Have access to materials in students' permanent records or students' progress assessments
- Evaluate achievement (grade papers)
- Counsel students
- Supervise students alone ó A DVA teacher or Instructional Assistant must be present at all times if you are with students with the exception of field trip groups **if** you have a fingerprint clearance card on file.

Sign In

Each volunteer must sign in and obtain a volunteer's pass at the front office, and sign out upon leaving. This is for security reasons and for record keeping purposes.

(Please retain this page to refer to as a guide for your convenience.)

These guidelines will be strictly monitored and enforced.

Desert View Academy Staff Dress Code

Staff members are encouraged to project a professional image by dressing appropriately and professionally. Typically shorts, sweatpants and jeans are not considered professional attire. Denim jeans or shorts of any kind or color may not be worn.

However, jeans will be permitted on payday Fridays, (with the exception of the award assemblies) and when activities warrant, shorts may be appropriate, (i.e. field day, and some field trips).
